I understand that the Sweetwater Challenge events are held on hilly, challenging trails and require teams to pass from behind as well as head-on. Both mushers and dogs need to be trained and conditioned for the event. If you are unsure if you or your dogs are prepared for this type of event, please contact a MiDD director (Linda Lange, 231-745-3614; Patty Lorandos, 810-231-4177; Mariel Versluis, 616-481-1556). Furthermore, I agree that photos of me and/or my team may be used by MiDD for promotional purposes.
